How to lead a successful book club discussion

The principal plays a key role in championing book study groups. S/he can help support book study groups by finding time during the day for groups to meet or even use faculty meeting time for groups. Principals can also promote study groups by asking members to present their book at a faculty meeting and encourage them to share their insights.

Book Study Groups: Why and How? | Education World

Read the book. This may seem obvious, but it is the most important step, so it is worth stating. It is a good idea to plan on finishing the book a little earlier than you might otherwise so that you have time to think about it and prepare before your book club meets.
