The 20 Global Issues - ISC GIN 2018

Jean François Rischard's 20 Global Issues. GLOPP, 2007 1. Summary by Gabriela Tejada. Rischard argues that we are not doing enough about planetary problems. He proposes a global issues management. He identifies two exponential forces, namely the demographic explosion and the new economy, which are creating a dangerous 'governance gap' between global issues and the capacity of traditional institutions to solve them.
