Auden and MacNeice's Letters from Iceland was more than a brilliant and unconventional travel book; it was one of the great works of the 1930s which defined for its own and later generations the precise nature and feeling of that troubled time. With characteristic boldness, Simon Armitage and Glyn Maxwell, staunch admirers of the two older poets, set off in 1994 to discover what Iceland, with its unique geography and ancient political institutions, might have to say to us now.
