Writing the Methodology Chapter of a Qualitative Study

Qualitative and quantitative data research are the two main types of research design. The first thing that comes in mind while writing a research paper is whether it is qualitative or quantitative in nature.. Choosing between qualitative vs. quantitative research can be challenging, especially if you do not know their differences.

Qualitative vs. Quantitative Research - Methodology & Design

Steps in Report Writing in Research Methodology. Research reports are the product of slow, painstaking, accurate inductive work. The usual steps involved in writing report are: logical analysis of the subject-matter; preparation of the final outline; preparation of the rough draft; rewriting and polishing; preparation of the final bibliography; and
