Silver Coin Melt Values with Live Silver Prices - Coinflation

In February 1878, the Bland-Allison Act became law and mandated that the government purchase several million dollars worth of silver every month and coin them into silver dollars. These coins were not needed for commerce but were used to artificially stabilize the price of silver at the request of the silver mining interests in the Western United States.

Morgan Silver Dollar Values and Prices

The United States government's intention was to issue a coin that would compete with the dollar-sized silver coins of other countries that were trading with Asia. Originally, they were legal tender in the United States, but when silver prices declined Congress repealed the provision and authorized the United States Treasury to limit coinage production for export only.

Trade Silver Dollar Values and Prices

The silver coin values you will find here on our site are largely based on the retail value you might pay to buy silver coins from a coin dealer. These values assume a coin in a certain grade and are for coins without any signs of damage, such as cleanings, heavy gouges, or other detractions.
