Does anybody know what i could do make my Aprilia sr motard 125 faster? I believe it's exactly the same as the piaggio typhoon of the same year, 2013. I has a piaggio leader 4 stroke engine. A bit more speed would be handy but i more bothered about the acceleration. All i can think of is getting a pipe, malossi variator and changing jets and rollers.which i also need help with setting up right..
