Use a simple job description with a set of behaviorally-based interview questions to pinpoint the people you want in your organization. When your interview questions ask the applicant to tell you about the behaviors and actions they have actually demonstrated in the past, your selection process will improve.

Ask Right to Hire Right: Effective Interview Questions

The simplest survey question—and the only question you'll usually use in a poll—is a Yes/No question. You'll ask a question, then have two options: Yes and No . Your survey app likely offers a Yes/No question; otherwise, use the multiple choice question and add Yes and No answers yourself.

Surveys 101: A Simple Guide to Asking Effective Questions ...

For job candidates, asking questions such as "What am I not asking you that I should?" can signal competence, build rapport, and unlock key pieces of information about the position.

How to Ask Great Questions

In the world of sales, being able to ask the right questions is more valuable than producing the right answers. Unfortunately, our schools often have the opposite emphasis. They teach us how to answer, but not how to ask. The folks at the Right Question Institute are trying to correct that imbalance.

Home - Right Question Institute

Talk as little as possible after asking your question. The purpose of asking a question is to clarify a topic you don't yet understand. While receiving the answer to your question, avoid talking or interrupting to make sure the answerer addresses your concerns.

3 Ways to Ask the Right Questions - wikiHow

Asking the Right Questions In sales, you need to stay focused on questions to help your customers make decisions. This is a tough lesson to learn because until you really understand the difference between good selling techniques and general conversation about the job, you will seldom stay focused on or get the order.
