Operator Cpc Lgv And Hgv

What is the Driver CPC? The Driver CPC is a qualification you need to hold before you can become a fully-licensed professional HGV driver. It stands for 'Certificate of Professional Competence', and shows that you understand the very basics of the profession, and that you are competent to be behind the wheel of an HGV.

The Driver CPC Explained | The LGV Training Company

The Transport Manager CPC is a legal requirement of the operator licensing system for both Standard National and International licences. Someone in your company requires the CPC Licence if you run a business with more than 1 Cat C or Cat D vehicle.

Operator CPC is for management and Driver CPC is for drivers. Having the operator CPC qualification means the holder has a thorough understanding of running a transport business. To be awarded an Operator CPC qualification, students must pass a number of examinations, including one multi choice and one casestudy paper.

Operator CPC Training | Professional Driver Training

Furthermore, all operators (i.e., haulage and transport businesses) of HGV and PCV vehicles must also be CPC certified. Their training is slightly different due to their status as operators rather than drivers. However, the differences are minimal for practical purposes.
